

PRO SERIES
ATV-1-R RISER KIT
(CAN-AM® OUTLANDER™ APPLICATIONS)

ATV-1-R RISER KIT INSTALLED ONTO
ATV-1 LINQ™ ADAPTER BRACKET

**Introducing the ATV-1-R
LINQ™ Adapter Bracket Riser
Kit.**

The ATV-1-R has been specifically engineered to provide for the use of Ski-Doo® snowmobile-based LINQ™ accessories on Can-Am® Outlander™ two-up models that have the 1+1 rear seat and 4" OEM rack extension installed.

Fabricated from 1/4" aluminum plate and custom extrusions, the ATV-1-R Riser Kit installs directly onto the ATV-1 LINQ™ Adapter Bracket in pre-drilled holes. It provides an elevated mounting location for LINQ accessories that is required for select Outlander™ vehicle configurations.

**UTILIZE SKI-DOO® SNOWMOBILE-BASED LINQ™
ACCESSORIES ON CAN-AM® OUTLANDER™ ATV MODELS!**

Fabricated from CNC laser-cut 1/4" aluminum plate and custom extrusions, the ATV-1-R installs directly onto the ATV-1 bracket in pre-drilled holes and provides a rigid structure for attachment and support of LINQ™ accessories

LINQ™ receptacles (not included) attach directly to the top plate of the ATV-1-R in pre-drilled holes for easy installation

LINQ™ Riser Kit components are Yellow Chromate pre-treated and finished in a textured black powder coat for a superb appearance

The ATV-1-R Riser Kit provides an elevated LINQ™ accessory mounting location that is required on Outlander models that have the 1+1 rear seat option and 4" OEM rack extension installed

ATV-1-R RISER KIT SHOWN WITH LINQ™ RECEPTACLES INSTALLED

The ATV-1-R Riser Kit features:

- **PREMIUM QUALITY CONSTRUCTION.** CNC fabricated from 1/4" aluminum plate and custom extrusions for high strength, precise fit, and premium quality.
- **INDUSTRIAL-GRADE POWDER COAT PAINT FINISH.** Features a Yellow Chromate pre-treatment along with a textured black powder coat paint finish for long-lasting durability and superb appearance.
- **SPECIFICALLY ENGINEERED DESIGN.** The ATV-1-Riser Kit is specifically designed to integrate with the ATV-1 LINQ™ Adapter Bracket and provide an elevated mounting position for LINQ™ accessories. The elevated mounting position is required on Outlander models that have the 1+1 rear seat option and OEM 4" rack extension installed.
- **EASY INSTALLATION.** The ATV-1-R Riser Kit includes all required fasteners and hardware to install directly to the ATV-1 bracket in pre-drilled holes. This provides for easy, bolt-on installation with no measuring or drilling.
- **SKI-DOO® SNOWMOBILE LINQ™ ACCESSORY COMPATIBLE.** The ATV-1-R Riser Kit is compatible with all current Ski-Doo® snowmobile LINQ™ accessory products, including storage bags and fuel containers. Simply attach the LINQ™ receptacles (*not included*) to the top plate and install the ATV-1-R assembly to the ATV-1 bracket.
- **1 YEAR LIMITED WARRANTY.**

MADE IN U.S.A.
