**UNIVERSAL APPLICATIONS**

LMP-2-U DUAL-POSITION LINQ™ ADAPTER BRACKET

LINQ™ STORAGE BAGS ATTACHED

**Add the versatility and convenience of the BRP/Ski-Doo® LINQ™ quick-release portable gear storage system to your boat, ATV, UTV, or other recreational vehicle with the LMP-2-U Dual-Position Stand-Alone LINQ™ Adapter Bracket Kit!**

*The LMP-2-U is precision fabricated from a laser-cut 1/4" aluminum plate and dual extruded aluminum tubes. Its dual-position design allows two LINQ™ accessories to be installed onto a single bracket. The LMP-2-U provides full compatibility with the extensive selection of quick-release storage bags, coolers, and other BRP/Ski-Doo® LINQ™ accessory products!*

The LMP-2-U features a laser-cut 1/4" aluminum top plate finished in a finely textured black powder coat

LINQ™ receptacles attach directly to the bracket in pre-drilled mounting holes for simple installation

The dual-position design of the LMP-2-U provides for the installation of two LINQ™ accessories onto a single bracket

LMP-2-U DUAL-POSITION LINQ™ ADAPTER (LINQ™ RECEPTACLES NOT INCLUDED)

The LMP-2-U features slotted mounting holes that provide for easy installation on many powersports and recreational vehicles

The LMP-2-U features extruded aluminum tubes that act as the base for the bracket assembly. This elevates the LINQ™ accessories above the mounting surface, helping to keep storage bags drier in wet conditions

### ***The LMP-2-U Stand-Alone LINQ™ Adapter Bracket Kit features:***

- **PREMIUM QUALITY CONSTRUCTION.** The LMP-2-U is fabricated from a laser-cut 1/4" aluminum plate and extruded aluminum tubing for high strength and light weight.
- **PREMIUM QUALITY BLACK POWDER-COATED FINISH.** All aluminum components on the LMP-2-U feature an industrial-quality, two-step surface finish process including Yellow Chromate pre-treatment and a finely textured black powder coat. This results in a durable, superb appearance.
- **EASY INSTALLATION.** The LMP-2-U features a compact design that installs easily onto many recreational vehicles, including boats, ATV's, and UTV's. Some vehicles may have sufficient deck space to install multiple brackets to maximize storage capability and convenience. The bracket itself can be used as a template for marking the mounting holes directly onto the deck surface, providing for very simple installation.
- **DIRECT LINQ™ ACCESSORY COMPATIBILITY.** The LMP-2-U is directly compatible with all current BRP/Ski-Doo® LINQ™ accessory products, including storage bags, coolers, etc. Simply attach the LINQ™ receptacles (not included) to the bracket, install the bracket onto the desired location within the vehicle, and attach the desired LINQ™ accessories.
- **DUAL-POSITION DESIGN.** The LMP-2-U features a dual-position design, allowing two LINQ™ accessory products to be attached to a single bracket.
- **MULTIPLE PLACEMENT OPTIONS.** The compact design of the LMP-2-U provides for maximum installation flexibility over a wide range of vehicle types.

***MADE IN U.S.A.***
