LMP-1-UM STAND-ALONE LINQ™ ADAPTER BRACKET KIT

MARINE APPLICATIONS

LMP-1-UM SHOWN INSTALLED ON REAR DECK OF BOAT

LINQ™ STORAGE BAG ATTACHED

Add the versatility and convenience of the BRP/Ski-Doo® LINQ™ quick-release portable gear storage system to your boat with the LMP-1-UM LINQ™ Adapter Bracket Kit!

The LMP-1-UM is fabricated from CNC laser-cut and formed aluminum components, precision welded into a strong, lightweight monocoque structure. Its compact, stand-alone design provides multiple installation options on many boat sizes and types. The LMP-1-UM provides full compatibility with the extensive selection of quick-release storage bags, coolers, and other BRP/Ski-Doo® LINQ™ accessory products!

The LMP-1-UM features an aluminum monocoque construction for high strength and light weight.

LINQ™ receptacles attach directly to the bracket in pre-drilled mounting holes for simple installation.

The compact design of the new LMP-1-UM provides for the installation of multiple brackets on many boats, maximizing overall storage capability.

LMP-1-UM STAND-ALONE LINQ™ ADAPTER (LINQ™ RECEPTACLES NOT INCLUDED)

The LMP-1-UM feature universal mounting slots that provide for easy installation on a many boat types and deck surfaces. Installation hardware included.

The LMP-1-UM features CNC laser-cut and formed tube structures that act as the base for the bracket assembly, providing for compatibility with a variety of mounting surfaces.

The LMP-1-UM Stand-Alone LINQ™ Adapter Bracket Kit features:

- **PREMIUM QUALITY CONSTRUCTION.** The LMP-1-UM is fabricated from CNC laser-cut and formed aluminum components, precision welded into a lightweight, high strength monocoque structure.
- **PREMIUM QUALITY BLACK POWDER-COATED FINISH.** The LMP-1-UM feature a finely textured black powder coat paint finish. This results in a durable, superb appearance.
- **EASY INSTALLATION.** The LMP-1-UM features a compact design that installs easily. Many boats will have sufficient deck space to install multiple brackets to maximize storage capability and convenience. The bracket itself can be used as a template for marking the four mounting slot locations directly onto the deck surface, providing for very simple installation. All fasteners required for installation are included.
- **DIRECT LINQ™ ACCESSORY COMPATIBILITY.** The LMP-1-UM is directly compatible with all current BRP/Ski-Doo® LINQ™ accessory products, including storage bags, coolers, etc. Simply attach the LINQ™ Base Kit receptacles (not included) to the bracket, install the bracket onto the desired location within the boat, and attach the desired LINQ™ accessories.
- **MULTIPLE PLACEMENT OPTIONS.** The compact design of the LMP-1-UM provides for maximum installation flexibility over a wide range of boat sizes and types.

MADE IN U.S.A.
