

PRO SERIES
LMP-1-U STAND-ALONE LINQ™ ADAPTER BRACKET KIT
UNIVERSAL APPLICATIONS

LMP-1-U SHOWN INSTALLED ON REAR DECK OF BOAT

LINQ™ STORAGE BAG ATTACHED

Add the versatility and convenience of the BRP/Ski-Doo® LINQ™ quick-release portable gear storage system to your boat, ATV, UTV, or other recreational vehicle with the LMP-1-U LINQ™ Adapter Bracket Kit!

The LMP-1-U is precision fabricated from a laser-cut 1/4" aluminum plate and dual extruded aluminum tubes. Its compact, stand-alone design provides multiple installation options on many recreational vehicles. The LMP-1-U provides full compatibility with the extensive selection of quick-release storage bags, coolers, and other BRP/Ski-Doo® LINQ™ accessory products!

The LMP-1-U features a laser-cut 1/4" aluminum top plate finished in a finely textured black powder coat

LINQ™ receptacles attach directly to the bracket in pre-drilled mounting holes for simple installation

The compact design of the new LMP-1-U provides for the installation of multiple brackets on many vehicles, maximizing overall storage capability

LMP-1-U STAND-ALONE LINQ™ ADAPTER (LINQ™ RECEPTACLES NOT INCLUDED)

The LMP-1-U features slotted mounting holes that provide for easy installation on many deck surfaces

The LMP-1-U features powder-coated, extruded aluminum tubes that act as the base for the bracket assembly. This improves compatibility with a variety of mounting surfaces and allows for the fasteners to be hidden

The LMP-1-U Stand-Alone LINQ™ Adapter Bracket Kit features:

- **PREMIUM QUALITY CONSTRUCTION.** The LMP-1-U is fabricated from a laser-cut 1/4" aluminum plate and extruded aluminum tubing for high strength and light weight.
- **PREMIUM QUALITY BLACK POWDER-COATED FINISH.** All aluminum components on the LMP-1-U feature an industrial-quality, two-step surface finish process including Yellow Chromate pre-treatment and a finely textured black powder coat. This results in a durable, superb appearance.
- **EASY INSTALLATION.** The LMP-1-U features a compact design that installs easily onto many recreational vehicles, including boats, ATV's, and UTV's. Many vehicles will have sufficient deck space to install multiple brackets to maximize storage capability and convenience. The bracket itself can be used as a template for marking the four mounting holes directly onto the deck surface, providing for very simple installation.
- **DIRECT LINQ™ ACCESSORY COMPATIBILITY.** The LMP-1-U is directly compatible with all current BRP/Ski-Doo® LINQ™ accessory products, including storage bags, coolers, etc. Simply attach the LINQ™ receptacles (not included) to the bracket, install the bracket onto the desired location within the vehicle, and attach the desired LINQ™ accessories.
- **MULTIPLE PLACEMENT OPTIONS.** The compact design of the LMP-1-U provides for maximum installation flexibility over a wide range of vehicle types.

MADE IN U.S.A.
