DUAL-POSITION LINQ™ ADAPTER BRACKET
(SKI-DOO® REV™ XS 129" AND REV™ G4 129" APPLICATIONS)

**Introducing the new
LMP-129/LMP-129-
XS/LMP-129-XSP Dual-
Position LINQ™ Adapter
Bracket Kits.**

**Add dual-position LINQ™
accessory compatibility to Ski-
Doo® REV™ XS 129" and REV™
G4 129" sleds!**

*LMP-129 DUAL-POSITION LINQ™ ADAPTER BRACKET
INSTALLED ONTO THE SKI-DOO® REV™ G4 MXZ™*

Fabricated from 1/4" aluminum plate and custom extrusions, the new LMP-129/LMP-129-XS/LMP-129-XSP dual-position LINQ™ Adapter Bracket kits have been specifically designed to provide Ski-Doo® REV™ XS 129" and REV™ G4 129" sleds with the ability to accommodate two single LINQ™ accessories or one dual-position accessory!

Add the convenience of dual-position Ski-Doo® LINQ™ compatibility to the REV™ XS 129" and REV™ G4 129" platforms!

Fabricated from CNC laser-cut 1/4" aluminum plate and custom extrusions, all bracket kits are specifically designed for their respective REV™ XS 129" and REV™ G4 129" platforms

All brackets feature mounting holes that align with the pre-drilled holes in the tunnel of the XS and G4 129" sleds for easy installation

LINQ™ receptacles (not included) install easily into pre-drilled mounting holes on the top plate of the LMP-129/LMP-129-XS/LMP-129-XSP

LMP-129 SHOWN INSTALLED ON SKI-DOO® REV™ G4 MXZ™

All fasteners and related hardware components required to install the brackets onto the tunnel are included

All brackets feature a finely textured black powder coat paint finish for a durable, superb appearance that blends perfectly with all tunnel colors

Each bracket is designed to be compatible with all single and dual position LINQ™ accessories

The LMP-129/LMP-129-XS/LMP-129-XSP Dual-Position LINQ™ Adapter Bracket Kits feature:

- **PREMIUM QUALITY CONSTRUCTION.** The LMP-129/LMP-129-XS/LMP-129-XSP brackets are fabricated from CNC laser-cut 1/4" aluminum plate and thick-wall aluminum extrusions for high strength, precise fit, and premium quality.
- **INDUSTRIAL-QUALITY BLACK POWDER COAT PAINT FINISH.** All of the aluminum components used in the assembly of the LMP-129/LMP-129-XS/LMP-129-XSP brackets are finished with a textured black powder coat that provides for a highly-durable, exceptional appearance.
- **EASY INSTALLATION.** The LMP-129/LMP-129-XS/LMP-129-XSP feature mounting holes that align with the pre-drilled holes in the tunnel of compatible Ski-Doo® REV™ XS and REV™ G4 models for easy installation.
- **SINGLE AND DUAL-POSITION LINQ™ ACCESSORY COMPATIBILITY.** The LMP-129/LMP-129-XS/LMP-129-XSP have been designed to provide compatibility with all single and dual-position LINQ™ accessory products. This provides for multiple storage options on the REV™ XS 129" and REV™ G4 129" models, including dual-position storage bags. Simply attach the LINQ™ receptacles (not included) to the bracket, install the bracket onto a compatible Ski-Doo® REV™ XS 129" or REV™ G4 129" snowmobile model, and install the desired LINQ™ accessories.
- **1 YEAR LIMITED WARRANTY.**

MADE IN U.S.A.
