

**LMP-1-U**  
**SINGLE-POSITION LINQ™ ADAPTER BRACKET KIT**  
**MARINE/ATV/UTV/UNIVERSAL APPLICATIONS**

LMP-1-U SHOWN INSTALLED ON REAR DECK OF BOAT

LINQ™ STORAGE BAG ATTACHED

**Add the versatility and convenience of the BRP/Ski-Doo® LINQ™ quick-release portable gear storage system to your boat, ATV/UTV or other recreational vehicle with the LMP-1-U LINQ™ Adapter Bracket Kit!**

*The LMP-1-U is fabricated from CNC laser-cut and formed aluminum components precision welded into a strong, lightweight monocoque structure. Its compact design provides multiple installation options on many recreational vehicle sizes and types. The LMP-1-U provides full compatibility with the extensive selection of quick-release storage bags, coolers, and other BRP/Ski-Doo® LINQ™ accessory products!*

The LMP-1-U features aluminum monocoque construction for high strength and light weight

LINQ™ Base Kit receptacles attach directly to the bracket in pre-drilled mounting holes for simple installation

The compact design of the new LMP-1-U provides for the installation of multiple brackets on many vehicles, maximizing overall storage capability

LMP-1-U SINGLE-POSITION LINQ™ ADAPTER (LINQ™ RECEPTACLES NOT INCLUDED)

The LMP-1-U features universal mounting slots that provide for easy installation on many mounting surfaces. Universal Installation hardware kit is included

The LMP-1-U features CNC laser-cut and formed tube structures that act as the base for the bracket assembly, providing for compatibility with a variety of mounting surfaces

### ***The LMP-1-U Single-Position LINQ™ Adapter Bracket Kit features:***

- **PREMIUM QUALITY CONSTRUCTION.** The LMP-1-U is fabricated from CNC laser-cut and formed aluminum components, precision welded into a lightweight, high strength monocoque structure.
- **PREMIUM QUALITY BLACK POWDER-COATED FINISH.** The LMP-1-U features a finely textured black powder coat paint finish. This results in a durable, superb appearance.
- **EASY INSTALLATION.** The LMP-1-U features a compact design that installs easily. Many boats and recreational vehicles will have sufficient space to install multiple brackets to maximize storage capability and convenience. The bracket itself can be used as a template for marking the four mounting hole locations directly onto the surface, providing for very simple installation. All fasteners required for installation are included.
- **DIRECT LINQ™ ACCESSORY COMPATIBILITY.** The LMP-1-U is directly compatible with all current BRP/Ski-Doo® LINQ™ accessory products, including storage bags, coolers, etc. Simply attach the LINQ™ Base Kit receptacles (not included) to the bracket, install the bracket onto the desired location within the boat, and attach the desired LINQ™ accessories.
- **MULTIPLE PLACEMENT OPTIONS.** The compact design of the LMP-1-U provides for maximum installation flexibility over a wide range of recreational vehicle sizes and types.

***MADE IN U.S.A.***
